

Northwestern Career Advancement
2013 & 2014 First Destination Data: Political Science Majors

- Outcomes are self-reported by students
- Students identified by Office of the Registrar as Political Science majors
- Composite data over 2 years represents **182** Political Science majors (**71%** of the **257** Political Science majors)
 - Students who reported not working full-time identified their first destination after graduation as one of the following: *graduate/professional school, employed part-time, entrepreneur/start-up, self-employed/freelance, fellowship, volunteer/public service, post-graduate internship/practicum/student teaching, actively job searching, or actively applying to graduate or professional school.*
- Information collected from the following sources:
 - 2013 & 2014 Post-Graduation Survey, distributed by NCA 6 months post-graduation
 - 2013 & 2014 Senior Survey
 - *Secondary sources:* The Association of American Medical College Advisor Information System database, Law School Admission Council’s Prelaw Advisor Action Reports, National Student Clearinghouse, Department of Athletics, LinkedIn, Northwestern Directory.
